

Portable Offices and Welfare Units

Portable Offices

We have a continuously changing stock of portable offices. They vary with size and format from open plan, split offices to offices with small kitchen areas.

Range of Portable Anti- Vandal Offices

Anti-Vandal portable offices provide peace of mind in remote and unmanned locations. The steel exterior and steel window shutters provide extra security.

Welfare Units

We have a range of welfare units available, below are a selection. If you have specifications for a job, please contact us and we will discuss what we have available.
